## Into the Word, Into the World

As followers of Jesus Christ, one of the great challenges we face is knowing how to live faithfully in a world that is not inherently Christian. Furthermore, as men and women living in the 21<sup>st</sup> century, we can often feel cut off from the very distant world of the Bible. How to understand the truth of the Bible, let alone how to apply it to our lives, is a constant struggle. The DISCIPLE Bible Study Series is one of the great modern tools that has been developed to help us navigate this challenging journey. Our church has previously used the DISCIPLE I study and the Invitation to John study with great impact on those who participated. This fall, we will begin the DISCIPLE II Fast Track study, *Into the Word, Into the World*, and we would love for you join us on this enriching journey.

*Into the Word, Into the World*, as with all DISCIPLE studies, is written and developed out of a Wesleyan theological understanding of Scripture. It directly relates to how we as Methodists are called to live out our faith in the real world. As the DISCIPLE website affirms, "DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible."

This study is a 24-week commitment, and it will be well worth your time and participation. The study will be taught by Gerald Boyd and Josh Bizzell. We will meet on Sunday evenings from 5:30 to 6:45, and this study is perfect for all ages – especially parents who have students in youth. We will begin the study on Sunday, August 14. Since we will need to order student materials for the study, **please email me at [joshbizzell@gmail.com](mailto:joshbizzell@gmail.com) to sign up by Sunday, July 24!** We look forward to spending Sunday evenings with you as we explore what it means to be faithful followers of Christ in our community.

In Christ,  
Josh
