Eighteen Summers
 Get ready for an awesome three-week sermon series titled "18 Summers," starting on May 12th. With summer just around the corner, it's a helpful reminder to make every moment count with our children and youth. Whether you're a parent, grandparent, or part of our church family, we all play a role in shaping their faith journey with Jesus. Join us as we dive into essential tips to make the most of the summers we have left with them. Don't miss out on the chance to explore what Scripture says about creating lasting memories and nurturing our faith together.

Post-General Conference Informational Meeting
 From April 21st to May 3rd, United Methodist delegates from around the world will gather for holy conferencing. They will spend time in worship, prayer, and attending to the necessary business of our connectional system. A wide range of topics will be covered, including finances, organizational structure, and even conversations surrounding theology and practice. On May 22nd, at 6:30 pm in Carter Hall, we will hold an informational meeting to share what happened at the General Conference, its impact on our denomination as a whole, and how those decisions affect our church. This will be primarily an informational meeting, with some brief time for Q&A at the end. If you have a specific question you'd like me to answer in my talk, please feel free to send it to me ahead of time at jbrown@fumcwrge.org.

Grace and Peace,
Jon
